

Tom Hunter

Games and Software Developer

Summary

Excellent programmer and well-rounded developer with 3.5 years of game development experience. Practiced problem-solver with an exceptional capacity to analyze, design, and iterate code that is clean, scalable, and well-documented. Comfortable with prioritizing and completing tasks while maintaining regular communication with my peers. Friendly, respectful, and a great fit for any team dynamic.

Education

Bachelor of Games and Interactive Environments (Software Technologies) from Queensland University of Technology (QUT), 2017-2020

- Minored in Advanced Software Technologies and Interaction Design.
- Graduated with a GPA of 6.2
